## **BottleDrop Give Oregon Fundraising Program**

Imagine Possibilities is excited to announce a new fundraising program through a partnership with BottleDrop Oregon. **We want your Empty Cans and Bottles!**

This is an easy fundraising program where you collect your recycled cans, bottles and plastic containers and drop them off at your nearest BottleDrop Oregon Redemption Center and the funds are credited directly to the Imagine Possibilities BottleDrop Account.

### **Here's how it works:**

- **Get Blue Bags:** Pick up the blue bags from Imagine Possibilities that are tagged with an electronic coded label with the Imagine Possibilities BottleDrop account information on it.
- **Fill Your Blue Bags:** Fill the bags with OR accepted deposit containers. Plastic, aluminum and glass can go in the same bag.
- **Return Your Blue Bags:** Up to 10 bags can be returned daily to any BottleDrop Center or BottleDrop Express, seven days a week. The label on the blue bags can be scanned to open the secured drop door between 6:00am – 10:00pm in the back of the building of the redemption center so you don't have to wait in the long lines.
- **Bottle Drop Does The Rest:** The containers in each bag are counted by BottleDrop and the funds are credited directly to our Imagine Possibilities BottleDrop Account.

**Please log on to the BottleDrop website to find the nearest location to drop off your blue bags for counting:** <https://www.bottledropcenters.com/locations/> All full service redemption centers and selected retail locations are designated as Blue Bag Drop off sites.

The attached flyers explain how the program works and shows the details of the newly accepted recyclable containers in addition to your usual OR redeemable cans, bottles and plastic containers.

**Thanks for your support!!**

**Sincerely,**

**Kevin Burke  
Executive Director**
